INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Are you guys feeling the heat? Here in Southern California, it's almost always warm, but this time of year, it's frickin' scorching. I keep having to wipe the sweat off my keyboard!

The BARELY LEGAL girls in this issue aren't helping me cool down any either. Porn princess Skyler is so hot, I feel faint just looking at her. Mylene, our Teen Queen of the Month, has me panting, and Jayme and Jojo's super-steamy lezzie sesh makes my temperature soar. My forehead isn't the only thing that's dripping; it's getting pretty damp in my panties too. Maybe I should just take them off...

What about you guys? Are you doing anything to beat your meat? Oops—I meant beat the heat, honest! Whew, this temperature really is getting to me. I think I better lie down.

xxx Lindsey

Hey! It's me, Lindsey. Tiny Amai is all worried about her braces, but those pointy nips are the *real* deadly weapons!

You've got the cutest smile, Amai. Why do you hide it sometimes?

I don't want my braces to scare guys off before I get to suck their cocks!

Is that your favorite thing to do sexually?

I love it. I get off on the guy enjoying himself.

Do you spit or swallow?

Spit. I don't want cum to get stuck in my braces. Can't wait to get these things off!

Then will you swallow?

BAD EDUCATION A BARELY LEGAL CONFESSION by Jade Indica

Hey, peeps! Jade here. BARELY LEGAL called me like, “Come back ‘cause you’re a reader fave.” And I was like, “They want to see me naked *again*? I mean, I know I’m sexy, but *dangl*!”

Just kidding. I was totally pumped to be asked back. Time has flown like crazy. I’m 20 now, but my bod’s as tight as ever, and so is my pussy.

So, here I am, back by popular demand. I’m still doing the college thing. I haven’t declared a major, but I’m thinking about art, or maybe philosophy. My folks are freaking ‘cause they say I’m ultra impractical and I’ll never get a real job, but I would rather chew my arm off than study, like, business or accounting. Yes, my parents are paying my tuition, but they can’t tell me anything. Why would I want a “real” job anyway?

I moved into a house this semester with two roommates. *So* relieved I’m not living on campus—freshman dorm life is for babies. I’m renting an old two-story with my friends Aura and Lili. The house is a beater, but the rent is cheap and we have tons of room to party. Aura and Lil are my girls. I used to be like, “I don’t get along with chicks.” That was an immature attitude. Females make awesome friends. Plus, they really know how to eat pussy.

Fooling around with ladies doesn’t mean I’m gay, BTW. College is an experimental time. It’s only natural that we live together and get horny.

PHOTOGRAPHY BY RICHARD KERN

Aura and Lili had been up in each other’s pussies for a while when I stumbled in. One day I busted into Lil’s bedroom all, “Lil, what the fuck did you do with my strappy sandals? I paid like eight dollars for those things.” There was Aura, tongue-deep in Lil’s pussy.

“Hey!” Lili looked confused. Aura paused licking, but neither one of them made any real effort to hide what they were doing. I wasn’t sure what to do, so I just stood there. I kind of wanted them to keep going so I could watch. They’re hot—Lili is blond with big blue eyes, and Aura has wavy ginger hair to her waist. Seeing their perfect bodies naked, Lili’s pink pussy glistening with juice and spit—*wow*.

“What?” I said. I didn’t move.

Aura dragged her tongue through Lili’s puffy labes, back and forth, slowly, pausing occasionally to dip her tongue deep into Lili’s hole. Lil’s nips were pink and puffed, her face flushed. She closed her eyes and rubbed her swollen boobies. I watched, still standing in the doorway, my clit throbbing in my tight jeans. Finally I unbuttoned my fly and approached the bed.

I sat at the foot and watched Aura’s ass bob in the air as she sucked Lil’s cooch. Aura was wearing thin, pink panties. The fabric clung to her wet pussy. My clit ached.

I tugged the crotch of Aura’s undies to the side and plunged my tongue inside her hole. Girls, if you’ve never tasted pussy, I strongly suggest you try. So delicious—salty, sweet, *addictive*.

By now my tang was so hot and swollen I thought I’d explode. Lili suggested I remove my clothes. I did, and Aura shucked the rest of hers. We arranged ourselves in a circle, mouth to pussy. I licked Aura, Aura licked Lili, Lili licked me. On and on it went until we all started to shiver and shake. We came simultaneously. How is that even possible? That night was the greatest.

Well, maybe not *the* greatest. It would be hard to pick just one. I keep my mind open, so I’m often experiencing awesome new things. Like when my sculpture prof asked me if I was interested in art modeling.

I took a sculpture class because I love to work with my hands and the prof is SMOKING. Dave Binley, metal-worker/welder/associate professor of sculpture, vision of manly hotness. Like, a young Clive Owen hot, but rough around the edges and dirty.

Binley welds huge abstract pieces out of old bumpers and hubcaps. When he asked me if I’d be his model, I was thinking, *Wha?* His work is totally nonrepresentational. He must have read my mind ‘cause then he explained, “My art begins in a figurative place, then evolves from there.” And I was like, “Totally!”

Whatever. I was just stoked that he was into me.

I dropped by his classroom after hours. The room was dusty with plaster and metal scraps. Binley sat in a corner by the chalkboard, sketchbook in hand. He told me to lock the door and undress.

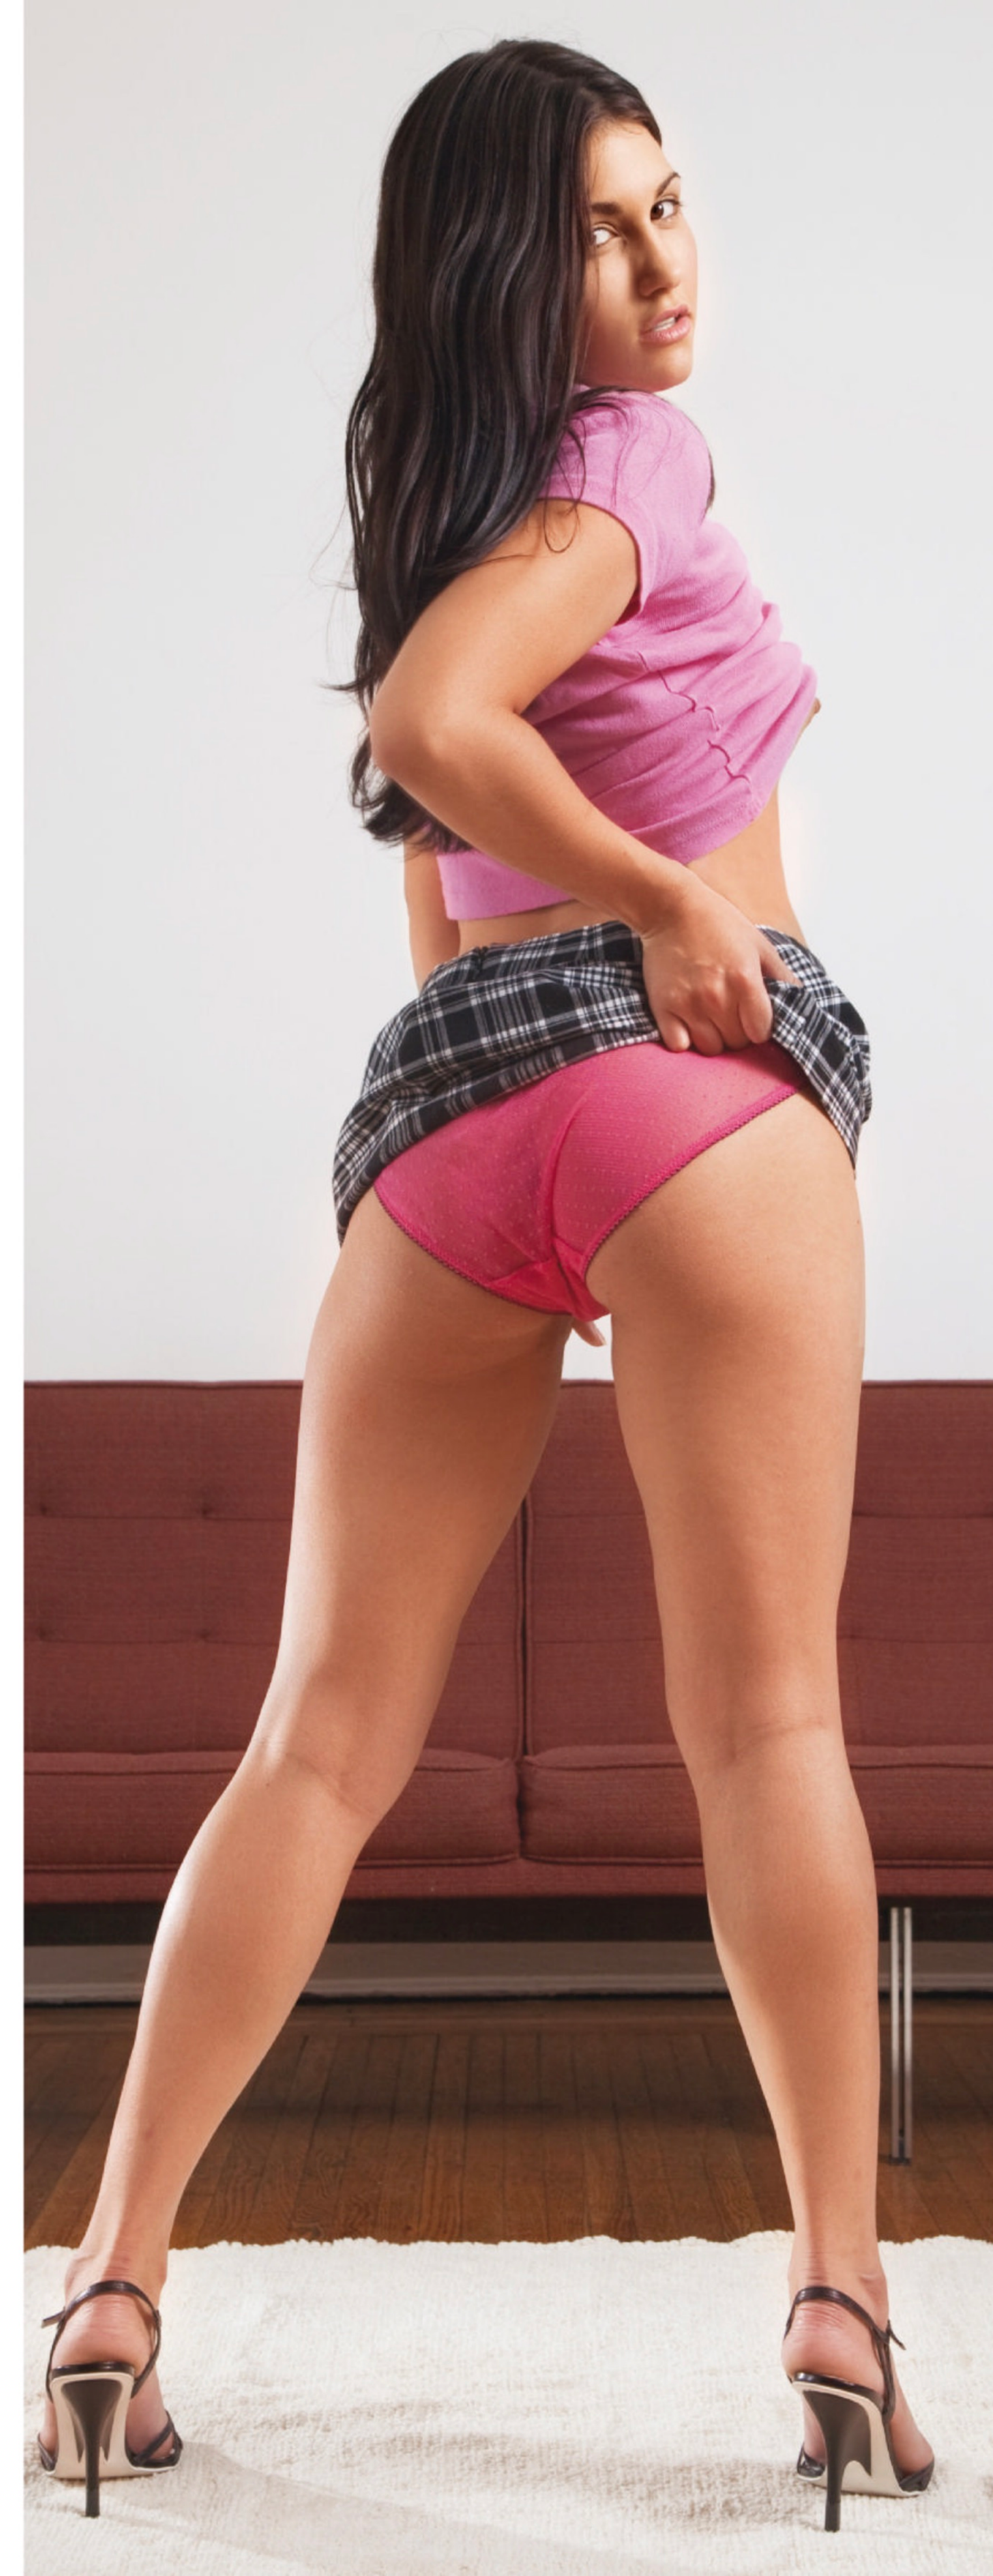

“For creative purposes only,” he explained.

I took off my clothes and sat on a worktable. I stretched my limbs, doing my best to look artistic, like a Greek statue or something. Sawdust coated my ass.

At first, Binley stayed in his corner and sketched. But his Dickies were bulging. Just imagining what was under all that canvas fabric made my pussy wet. I dripped. A tiny pool formed in the sawdust. Binley adjusted the mass in his pants.

I couldn’t stand it. “Come on,” I said. My legs dangled over the side of the table, my thighs falling open. I slid two fingers between my legs and parted my lips. My clit winked.

Binley dropped his sketchbook and walked toward me, dramatic, like we were in a movie. He leaned between my legs. I ran my hand up his thigh and squeezed his stiffy.

He pressed his hands to my tits. It was easy, since I was already naked. He kissed my mouth, then my nips. His tongue trailed down my torso and between my legs. He flicked his tongue against my clit.

as he pumped his cock in, out, in. Each thrust tugged my clit. My body burned, my pussy throbbed. I wrapped my legs around his waist.

“Don’t stop,” I begged. “Harder, please.”

His cock throbbed. He was coming. I was too, my pussy hot, my stomach trembling. I threw my feet in the air.

wrapped around his waist.

“Dave, I’ve been meaning to bring this paper by for the conference on—”

Dr. Turner stared. All three of us froze, Turner clutching a file folder, Binley gripping my ass. After a second we all snapped out of it. Binley scrambled into his pants, my skirt fell back into place.

“I plunged my tongue inside her hole.”

AGE: 20

He pressed me onto the table, unzipping his pants. He clutched my wrists in his hands, stretching my arms over my head. His cock trailed pre-cum up my thigh. He gripped his dick at the base, slapping his slippery head between my labes and against my clit. My pussy was swollen, my inner lips puffed out, like they were begging his dick, Please come inside!

His cock pressed into me. The head popped into my wet hole. He held it there for a sec, wiggling it around the outside, teasing me. He slid the shaft in slowly.

“Yeah, *fuck*, yeah,” I whispered

“Oh, God, oh, God—*ooh*—” I tossed my head back, my pussy blooming. He unleashed a huge load on my tits and belly. I smeared his jizz into my skin.

After that, I spent a lot of time with Binley. He kept coming up with new “art projects,” and somehow they always ended with his dick in my pussy. We’d do it in the classroom, or in his tiny office stuffed with art history books and power tools, the walls lined with Mexican folk art and African masks. We writhed around a tiny patch of dusty floor, keeping it going for several weeks, totally on the DL since, *duh*, he could get fired for banging me. Till one afternoon when we got sloppy.

We forgot to lock the office door. In fact, we didn’t even *close* it the whole way. We got cold busted by Dr. Turner, the art department dean.

It’s like when I walked in on Aura and Lili—there was no denying what we were doing. Binley had me pinned against the wall, my skirt bunched up, my panties dangling from the ankle I had

Dr. Turner was red as a beet. “Professor Binley,” he said. “You should come with me.”

I was tripping all night. Was Binley about to lose his career because of me?

There was only one thing I could do to try and make things right. Early the next morning, I headed to the office of the art department dean.

Dr. Turner reclined behind his huge desk, reading a newspaper and frowning. I am normally a pretty confident and easygoing girl, but he was intimidating. He’s probably almost 50, with a salt-and-pepper beard and this intense dark stare that just shoots right through you. I was nervous, but I had nothing to lose. I would put myself out there to save Binley.

“Hey, so, I want you to know that it’s totally my fault and you shouldn’t blame Professor Binley. I’ll prove that to you, whatever it takes.”

I pulled my T-shirt over my head. I stood in my bra and plaid

skirt and heels. I unhooked the front closure of my bra. My tits popped out. I thumbed my nips till they were hard and perky. Dr. Turner stood up and locked the door.

"I could expel you," he said.

I shrugged. "I was hoping if you saw me, you'd understand what Professor Binley was thinking. So you could be sympathetic to his plight or whatever."

Dr. Turner stared.

brainy dude to have such a big dick.

He slid his boner between my ass cheeks. I was wet—his cock glided through my buns effortlessly. He rubbed the head outside my pussy, then pushed all the way inside, suddenly and without warning.

"*Holy—*" I gasped. He really was hung. He gripped my waist and pumped, then pulled out suddenly.

"You are very bad," he said. "I should suspend you, at the

**"His dick was big,
but my ass was ready."**

"Bend over the desk, please."

He lifted my skirt and squeezed my butt cheeks. He spanked me gently. I rested my chin in my hands and closed my eyes, smiling. I love a gentle spank.

"You've done a terrible thing," he said, sliding my panties over my ass. I felt them land at my feet. He slid a finger between my labes. I was wet. I mean, I'd gone to see him as sort of a self-sacrificing gesture, but it was turning out super exciting.

He slid a finger into my vadge, then back out, rubbing my girl goo over my clit. I closed my eyes. It turned me on that I couldn't see, only feel, what he was doing. He pressed one finger back in, then pressed his thumb against my buttock, massaging it gently.

"Go ahead," I said. His thumb entered my toot—*pop!* Then his finger slid into my pussy. I moaned as he rubbed my holes simultaneously.

I heard a *zip*. I could feel his body hovering over me. Still fingering me, he slapped his cock against my thigh—*smack, smack*. It was hard and heavy. It felt huge. I didn't expect an old

very least."

"Whatever," I said. "Just take it easy on Professor Binley."

He slapped my ass with his cock. I wiggled my hips. I felt his tongue in my buttock. He poked it firmly, dipping down occasionally to lap my pussy.

"You've been such an awful girl." His dick prodded my tootie.

"I can take it," I said. I took a deep breath as his fat head breached my buttock. He pushed in slowly. I relaxed, let him in. His dick was big, but my ass was ready. I'm an anal champ.

"Dirty girl," he panted. I propped myself up on my elbows. He cupped my tits. Faster. Faster.

"Filthy, dirty, YES!"

He exploded in my ass. I felt his jizz filling me. He pulled out, panting. I rested my head on the desk, semen dripping through my crack and down my leg.

Binley didn't get fired. Mission accomplished, and another great adventure for me. An open heart and mind leads to infinite possibilities. ★

MIA MALKOVA

melts in your mouth

Hey, it's Lindsey. Future superstar Mia is so gorgeous, she has me tongue-tied—just when I need my tongue the most!

Hey, Mia! How would you describe yourself?

I'm a total Cali girl. A dog person. Kind of a nerd. And I love sex.

Sometimes when superhot girls say they're nerds, I think, *Really?*

No, it's true. I play a lot of video games, and I love sci-fi and fantasy.

What are some of your favorites?

Right now my favorite show is *Merlin*, but my favorite of all time is *Firefly*. I'm still sad that it got canceled. I also recently got obsessed with *Buffy*—I watched all seven seasons in two weeks!

Did you stop to eat? LOL!

I stopped to eat and masturbate.

Do you masturbate a lot?

Constantly. I just spent \$200 on vibrators!

What do you think about when you play with yourself?

I watch porn.

You masturbate to your own scenes?

To the ones I really like, yeah. Why not?

How do you stay in such awesome shape if you're always watching TV and porn?

Oh, I go to the gym and do yoga every day. And I walk my little fur babies, Tinkerbelle and Chewbacca.

Do you have a boyfriend?

No, that's why I masturbate all the time. I'm completely sex-deprived!

What turns you on the most when you're with someone?

Getting a foot massage. It's actually kind of embarrassing when I go for pedicures.

Do you like to give BJ's?

Yes, I love cocks and I want them in my mouth!

Do you swallow?

Always.

What's your favorite way to fuck?

Hard. I want us to break the furniture.

What's the best way for someone to make you come?

Lick my pussy. I will be like a limp little rag doll under your tongue. ———→

Where do you like guys to come?
Well, guys like to come on my ass...
Who can blame them?
...but I love when they come on my boobies. I like to rub jizz all over my tits and make 'em super soft.
I bet they look pretty that way.
Bad girl!
Do you like girls?
Girls are delicious! I popped my girl-girl cherry last year, and it was amazing.
I hope you'll come back to visit after you become famous.
LOL! If I become famous. Anyway, that's not my ultimate goal in life.
What is your ultimate goal?
To make cocks hard and pussies wet! ★

PAMELA

girl on fire

A loha! I'm Shawna the intern. You guys, this is the most chill you will ever see high school senior Pamela. She's a maniac!

Hey, Pamela! Your hair is so pretty—above *and* below.

Thanks! I *hated* having red hair when I was little, but now I love it. It's rare, like me!

Is it true what they say about redheads?

You mean how we're extra super awesome in bed? Yes, it's all true!

Lindsay Lohan said that once for real.

Then why is she always dyeing her hair a gross blond color? LOL.

Do you have the redhead temper?

I can get very emotional. I've been known to scream and throw things! But I'm also passionate in a good way. Like, I'm *always* horny. I don't think I've ever turned down sex.

Do you have any special sex talents?

I don't know if it's *special*, but I love to suck cock. I get, like, *hungry* for it.

Do you swallow?

Of course! I told you, I'm a hungry girl! :)

Do you like when guys go down on you?

Omigod, that's the best. I love it if the guy sucks really hard on my clit. It makes me lose my mind. I have to be careful, though, 'cause once I was coming so hard, I kept slamming my cooch in his face. I almost dislocated his jaw!

Do you like to be fucked hard, too?

Yeah, I love getting rammed really hard from behind. Sometimes I *think* I want it gentle, and I'll get on top and go nice and slow, but the next thing I know, I'm riding his cock off! I guess my body just knows what it wants. -----➡

Do you like butt sex?

I like the roughness of it, it gets me super excited, but I don't like the time it takes away from my pussy! **What's the wildest thing you've ever done?**

Definitely the time me and this guy had sex in a public pool, during the day, with tons of people around. I was like, Everybody's all splashing around, having fun. Let's go off to the side and fuck underwater and see if anybody notices. And nobody did! **What if you had gotten caught, crazy?**

It would have been totally worth it. That's the biggest orgasm I ever had! ★
